

# GO DEEPER

## MEMORY VERSE

"I will praise you, Lord my God, with all my heart; I will glorify your name forever."  
Psalm 86:12 (NIV)

## BOTTOM LINE

**God Calls Us to Glorify**

## TALK ABOUT IT

**Read:** Acts 16:16-24

**Talk About It:**

- Have you ever been accused of doing something wrong when you didn't do it?
- How did you feel?
- How do you think Paul and Silas were feeling?

## WAYS TO WORSHIP

God is always with His children. Go outside and look at your shadow. Walk back and forth and notice how your shadow stays with you all the time. Depending on where the light is, the shadow will change and sometimes even disappear. You might not always be able to see your shadow, but it is always right there ready to appear again when the light is right.

Take a walk around the house or neighborhood and find shadows. Remember, God is always with you, just like your shadows. God calls us to glorify Him no matter what is going on in our life. Sometimes, during hard and scary times, you might not see Him, but He is still there. You don't have to be afraid. Thank God today for His promise to always be with His children! Psalm 86:12

## THINK ABOUT IT

**Read:** Acts 16:25-34

**Think About It:**

- After being put in prison, Paul and Silas chose to show God's love and share about Jesus with the prison guard. Do you think that was easy or hard to do?
- God calls us to glorify Him. One way to praise God is by sharing about Jesus with others. When is it hard for you to show God's love and share about Jesus with others?

## A BEAUTIFUL MOSAIC

God can use hard things for good. Get out some pieces of colored paper. Look at how perfect they are. How smooth and unwrinkled. Now, tear up the papers. They are no longer smooth and perfect. We might see tearing up the papers as bad, but with the smaller pieces, we can create a beautiful mosaic. Glue the small pieces onto paper to create a mosaic. Sometimes, we see things that happen to us as destroying something that we think is perfect, but God is really preparing the pieces to make a beautiful mosaic.
