# ACTIVITY PACK

## Bonus Supplies & Activities

**Sunday Bonus:** Materials - Green Ribbon, Craft, Coloring Page

- **Ribbon Dancing** - Put on some worship music. Dance around your house waving your ribbon to celebrate Jesus just like the people waved palm branches.
- **Palm Sunday Craft** - Your bag will come with either a "Palm Scratcher" or a "Jesus on a donkey" craft and a Palm Sunday coloring page.

**Day 1 Bonus:** Materials - Palm Branch Activity Page

- **Worship in Scripture** - Using the "palm branch activity page" read the scripture verses and then match them with the picture that shows the correct type of worship described in the verse.

**Day 2 Bonus:** Materials - None

- **Art of Service** - Help the children think of simple acts of service they could complete today, whether at church or at home. Give the children paper and crayons or pencils and have each child draw a picture of an act of service he or she will do today. Have the children show and explain their pictures to each other.

**Day 3 Bonus:** Materials - Passover Meal Coloring Page

- **Passover Meal** - This coloring page explains what elements are used in the Passover meal. Passover is still celebrated by Jews as a reminder of how God freed their people from slavery in Egypt

**Day 4 Bonus:** Materials - Plastic Frogs, Paper Plate, Prayer Post-its

- **Take a Leap** - Color the paper plate green and place it on the floor or table to represent a lily pad. Give every player a frog and ensure everyone is the same distance away from the plate. When you say "go!" everyone will try to get their frog to jump onto the "lily pad." The first player to get their frog onto the "lily pad" shouts, "Fully Rely On God!" Sometimes we have to take a leap of faith when we are relying on God!
- **Prayer Post-its** - Use the prayer post-it sheets to write down prayer requests, and place them where you can see them and pray for them.

**Day 5 Bonus:** Materials - Paper Heart

- **Jesus' Love** - Pull out the paper heart. On one side write down John 15:13. On the other side draw a cross in the middle of your heart. Place this heart in your room as a reminder of how much Jesus loves you!
