BUILD A BOAT

Materials: Aluminum Foil, Coins

God instructed Noah to build a very specific type of boat. He entrusted Noah to build the ark so he, his family, and animals would be saved from the flood.

Get creative and see if you can build a strong boat using the aluminum foil. Then test your boat in a sink or tub of water. Place coins in the boat to see how well your boat will stay afloat.

Use the same foil and try again, making your boat a different shape. Which boat shape was able to hold more coins?

RAINBOW REMINDER

Materials: Long Strips of Paper, Thick Paper or Thin Cardboard, Scissors, Markers/Crayons, Cotton Balls, Glue

God is a Promise Keeper. In Genesis, God used a rainbow to remind Noah of His promise. Make your own rainbow reminder of God's promises. Cut a cloud shape out of thick paper or cardboard. Cover it with glue and cotton balls. Next, color your paper strips so that one is each color of the rainbow. Attach paper strips to the back of your cloud. Hang your rainbow somewhere in your room to remind you that God is a Promise Keeper!

CUDDLE CLOSE

Materials: None

Before bed pull your child close beside you and say, "You can trust God. God is a promise keeper!" As you tuck them into bed, sing, "There are Promises" (www.tinyurl.com/promisesyancy). Then pray together, pausing after each phrase to let your child repeat after you:

*Dear God,
Thank you for always keeping your promises.
