

# FIXED ON JESUS

## It's Temporary – 2/21/2021

### OVERVIEW

When we give away our talents, time, treasures, love, and care to the least of these, Jesus says we are doing it for Him. How, then, can we live our life for the eternal rather than the temporary? When the time comes for Jesus to take the roof off your life and shake it upside down, what will be left? What eternal difference are you making?

Scriptures: Hebrews 12:26-27; 1 John 2:15-17; Matthew 25:34-36, 28:18-20; Galatians 5:22-23; 1 Corinthians 12:7-10

### APPLICATION

- Jeremy began by talking about worldly possessions. What is one possession that means the most to you?
- God gives us talents, time, treasures, love, and care to be used for a godly/eternal purpose. How do you shift your mindset from thinking of these things in the temporary to seeing them as having eternal significance?
- Go to the 22-minute mark on the online message and do the guided tour with Jeremy in your own home. What did God show you as you completed this exercise?
- What is a specific area that stands out to you where your mindset needs to shift from the temporary to eternal?
- What are some practical changes you can make this week to live your life in light of the eternal rather than the temporary?

**NEXT STEP:** Woody regularly uses the phrase, “Go and be, rather than come and see” when describing the type of church, he wants Blue Ridge Community Church to be. Often our next step is doing what God has shown us. This week “go and be” the light of Jesus to the world through your actions!
