

THE CHURCH HAS LEFT THE BUILDING

Multiply – 11/15/2020

OVERVIEW

God, through the Holy Spirit and the church, can change a human heart. How do we become a body that multiplies by reaching our family, friends, community, and the world? It takes followers of Jesus in a community to have dreams and visions. God gives us the power to be the hope of the world and to become the church that multiplies.

Scriptures: Matthew 28:19-20; Acts 2:42-47, 6:7, 9:31

APPLICATION

- Peter Wagner says, “Planting new churches is the most effective evangelistic methodology known under heaven.” Do you agree or disagree, and why?
- In your experience, what is the greatest way you have seen the Gospel spread and multiplied?
- Woody talked about everyday believers who have dreams and visions and God uses them to multiply. How have you participated in spreading the Gospel corporately?
- How can you help change the focus of a LifeGroup, a ministry, or a church from addition to multiplication?
- How can you expand what you are already doing and change your focus from addition to multiplication?

NEXT STEP: First, start with prayer and ask God to give you dreams and visions for how He wants to use you to multiply His Gospel. Share with the elders what God is doing in you. You can email them at elders@blueridge.org.
